The classic medical text known as *Gray’s Anatomy* is one of the most famous books ever written. Now, on the 150th anniversary of its publication, acclaimed science writer and master of narrative nonfiction Bill Hayes has written the fascinating, never-before-told true story of how this seminal volume came to be. A blend of history, science, culture, and Hayes’s own personal experiences including his time in the gross anatomy lab at UCSF.

*The Anatomist* is this author’s most accomplished and affecting work to date.

Bill Hayes will be reading from and talking about his acclaimed new book

**The ANATOMIST: A TRUE STORY of GRAY’S ANATOMY**
